Supplies: 2 blank earwires TierraCast 90-5129-13

18" 24 gauge black Artistic Wire

Instructions

- STEP 1: Cut the 12" piece of wire into 4 three inch pieces. Approximately 3 mm from the end of each piece of wire, use chain nose pliers to fold up a bend. (Note: using this technique you will create headpins.)
- STEP 2: Using two pieces of wire from step 1, slide on one Swarovski Sew-on Stone art. 3700 10 mm Jet, one Fancy Stone art. 4139 14 mm Jet, one Sew-on Stone art. 3700 10 mm Sun and one Bead art. 5540 12 mm Jet.
- STEP 3: Keep the two wires apart; on one wire slide on one Bead art. 5328 4 mm Jet. On the second wire, slide 3 Beads art. 5328 3 mm Jet and 2 Beads art. 5328 2.5 mm Jet. Cut the wire 10 mm from the last Bead art. 5328 2.5 mm Jet. Using round nose pliers, turn a loop towards the Bead art. 5328 2.5 mm Jet – at least 1.5 to 2 rotations.

"Witches Hat Earrings", page 2

- STEP 4: Using the second wire that has the Bead art. 5328 4 mm Jet on it; turn a loop and then wrap the wire around the Bead art. 5328 4 mm Jet and create a wire wrap between the Bead art. 5328 4 mm Jet and the Bead art. 5540 12 mm Jet. Trim tail and tuck next to coil made.
- STEP 5: Attach one Bead art. 5328 4 mm Jet to a blank earwire. Turn a simple loop. Open loop and attach to the loop from step 4.
- STEP 6: Repeat steps 2 through 5 for the second side.
- STEP 7: OPTIONAL: Cut the 6" piece of wire into two equal pieces. Wire wrap Bead art. 5714 8 mm Jet and attach to the coiled loop made at the end of the Bead art. 5328 2.5 mm Jet. Repeat for the second side.
- STEP 8: Shape the point of the hat by gently curving the wire (see picture).
